PROGRAM REPORT

Visited: NTTPS, Kondapalli

No. of Students: 50

Faculty Coordinators:

- Ms. A.KRISHNA PRIYA , Assistant Professor
- Mr. A. ANOOP KUMAR , Assistant Professor
- Mr. B. SAI KUMAR REDDY, Technician

On receiving the letter of permission from NTTPS, Kondapalli. Students with three faculty members went on an industrial visit to NTTPS, Kondapalli on 24-05-2022. We all assembled at the college at 9:00a.m and left the college in a college bus. We reached the NTTPS; Kondapalli at 10.30a.m. The NTTPS members received us at the entrance of the Training Institute in which students are taken to a classroom and given a lecture about plant construction and its working process. Civil Assistant Engineer explained students clearly about the construction procedure through PPT about power plant construction and about recent Cooling tank construction. In the afternoon session students were taken to the power plant.

Visited sections in the company:

- Coal export Area through Railways and Conveyer belts.
- Power plant area
- Cooling Tanks

PURPOSE OF VISIT:

Our main purpose for this visit is to be familiar with industrial environment and to get practical knowledge of different power generation places.

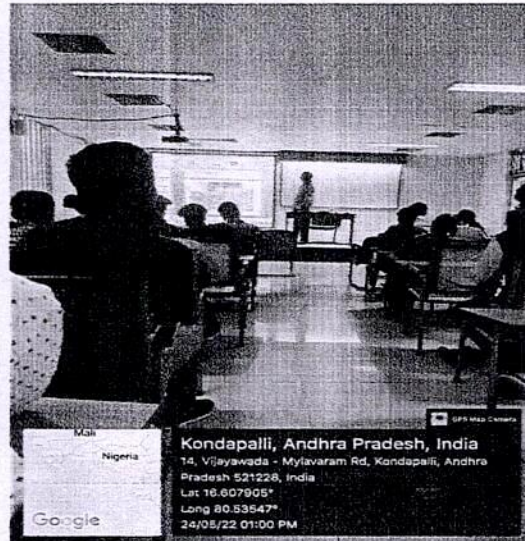

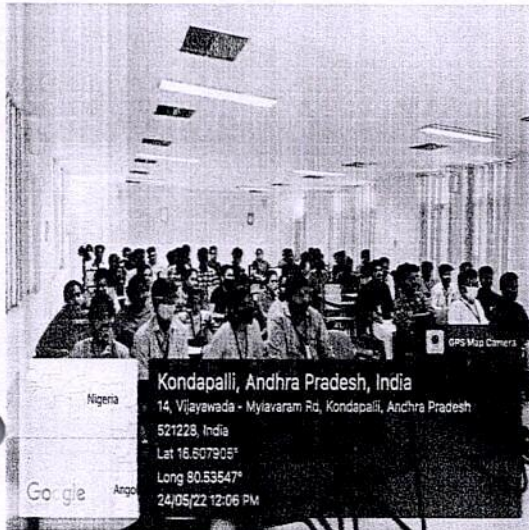

OUTCOME:

Students get familiar with power generation, Coal export and usage and cooling tanks.

The Sr. DEE,
Electric Locoshed,
Vijayawada, Krishna Dist.

Dear Sir,

Sub: Request permission for plant visit of our Engineering students-Reg.

We would like to introduce ourselves as one of the established technical institute with state-of-the-art laboratories and academic facilities, located at Enikepadu, Vijayawada. We organize industrial visits to our students in order to have real time industrial exposure for enlightening the practical applications of theoretical knowledge.

Against this background, we request you to accord permission for visit by 3rd year B.Tech EEE students of approximately 41, along with 2 faculty members on 23-04-2022 to your Loco-shed when it is in operation. Our Faculty members will accompany the students and they will come in batches without causing disturbance to your workshop functioning.

A line of response in this regard is highly appreciated.

Thanking you.

With Regards,

(Dr M Ekambaram Naidu)

 1. Maintenance 2. Locomotive working 3. 4.

Feedback obtained from the following students (enclose as annexure)

- 01 (P. Mohan Vamsi) 19X45A0204 we have seen the working of electrical locomotive.
- 02 K. Vinod 19X45A0226 we have seen the working of Auxiliary motor.
- 03 P. Harini 19X45A0213 we observed different equipment in the electric locomotive.
- 04 P. Sai 18X41A0211 we have seen the working of locomotive engine.
- 05 19X45A0203 we have seen construction of motor.
- 06 19X45A0201 we learned about WAP-7 in depth.
- 07 19X45A0209 we have seen the working of Auxiliary motor.
- 08 19X45A0212 we have seen & learn about power system.
- 09 19X45A0224 we have observed the different types electric loco.

RECORD OF STUDENT INDUSTRIAL VISIT & THEIR FEEDBACK

Academic year: 2021-22

Semester: II

Date: 25-4-2022

Name and address of industry visited:

Electric Loco shed - Vijayawada - 520001

Date: 25-4-2022

Time Duration: one day

Year / Semester: W 19

Total No. of Students: 28

Name of the in charge and other Faculty who organized this Industrial visit:

Mr. N. E. C. Chandra, Mrs. B. Indrajaya

Contact Person at Industry: Mr. V. Chitti Babu

Visit related to the subject: Electrical machines, P & D

During visit the students were taken to following Departments in the Industry;

Motor & Generator
1. Maintenance 2. Locomotive working 4.

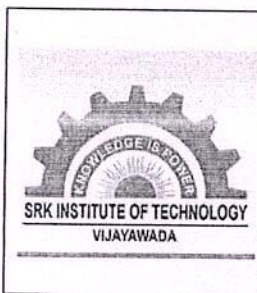

Feedback obtained from the following students (enclose as annexure)

- 01 18X41A0208 - K. PRIYANKA - Learn about full parts of loco
- 02 18X41A0201 - A. Punagayaram - Learn about inner parts of loco
- 03 19X45A0218 - D. Chandana - Learned about parts of generator
- 04 19X45A0227 - B. Sridewi - Learned about a pivot (load)
- 05 19X45A0219 - D. Thanuja - Learned about Auxiliary Motor
- 06 18X41A0212 - Y. Mounika - Learned about individual parts of loco
- 07 19X45A0220 - B. SRINIVAS - Practical knowledge of Traction parts
- 08 18X41A0210 - M. Pavandeep - Learn about parts of loco
- 09 18X41A0206 - K. Town Kumar - Learn about dc generator

PROGRAM REPORT

Visited: Electric Loco Shed, Vijayawada

No. of Students: 28

Faculty Coordinators:

- Mr. N.E.KEERTHI CHANDRA, Assistant Professor
- Ms. B.INDRAJA, Assistant Professor

On receiving the letter of permission from Senior Divisional Electrical Engineer, Electric Loco Shed, Vijayawada. Students with faculty members went on an industrial visit to Electric Loco Shed on 23-04-2022. We all assembled at the college at 9:00A.M and left the college in a college bus. We reached the Electric Loco Shed at 10.00A.M. The Electric Loco Shed members received us at the entrance and gave a brief introduction about the Electric Loco Shed.

Visited sections in the company:

- Transformers
- Motors
- Mechanical
- Power Electronics

PURPOSE OF VISIT:

Our main purpose for this visit is to be familiar with industrial environment and to get practical knowledge.

OUTCOME:

The Students get familiar with Electric Traction and Electric motors used in Traction.

26-03-2022

**The General Manager,
Kumar Pumps and Motors,
Tenali , Guntur District,
Andhra Pradesh, India.**

Sir,

Sub: Requesting for permission to our students for visiting your Plant – Reg.

We would like to introduce ourselves as one of the established technical institute with state-of-the-art laboratories and academic facilities, located at Enikepadu, Vijayawada. We organize industrial visits to our students in order to have real time industrial exposure for enlightening the practical applications of theoretical knowledge.

As, your industry is well known for **Manufacturers of Pumps and Motors**, we would like to bring our students for on-hand **Manufacturing** experience in your plant.

Hence, I request you to grant permission for industrial visit to our II and III Year Electrical and Electronics Engineering students numbering 92 and 3 Faculty members on 01-04-2022. I assure you that the safety norms and regulations of the industry will be followed strictly by our team.

Thanking you for your kind gesture and patron extending to our institute.

With regards

(Dr M Ekambaram Naidu)

PROGRAM REPORT

Visited: Kumar Pumps and Motors, Tenali

No. of Students: 77

Faculty Coordinators:

- Mr. S. NAGESWARA RAO, Assistant Professor
- Mr. K. NARENDRA BABU, Assistant Professor
- Ms. T. MAHA LAKSHMI Assistant Professor

On receiving the letter of permission from Kumar pumps and motors, Tenali. Students with three faculty members went on an industrial visit to Kumar pumps on 04-04-2022. We all assembled at the college at 9:00a.m and left the college in a college bus. We reached the Kumar pumps at 10.00a.m. The Kumar pumps members are received us at the entrance and gave a brief introduction about the process of manufacturing of reciprocating pumps and motors. Bore wells and they're working in detail.

Visited sections in the company:

- Preparation of mold and casting
- Preparation of windings
- Assembling of parts

PURPOSE OF VISIT:

Our main purpose for this visit is to be familiar with industrial environment and to get practical knowledge of different Pumps & Motors.

OUTCOME:

Students get familiar with motor maintenance, material to be used in motor like conductor, insulators, different fabrication motor etc.

Respected Sir,

Sub: Request for Permission to visit your Industry for our students - Reg.

We would like to introduce ourselves as one of the established technical institute with state-of-the-art laboratories and academic facilities, located at Enikepadu. We organize industrial visits to our students in order to have real time industrial exposure for enlightening the practical applications of theoretical knowledge.

As your industry is well known for **PRODUCTION**, we would like to bring our students for on-hand production experience in your plant.

Hence, I request you to grant permission for industrial visit to our III Year Mechanical students numbering 50 and 2 Faculty members on you given date and time. I assure you that the safety norms and regulations of the industry will be followed strictly by our team.

Thanking you for your kind gesture and patron extended to our institute.

With regards

Report on K.C.P. Sugar and Industries Corporation Limited Industrial Visit on 28/12/2021

Visited: K.C.P. Sugar and Industries Corporation Limited, Vuyyuru

No. of Students: 32

Faculty Coordinators:

- Mr. V. Bala Chinalingam, Asst. Prof.
- Mr. P. Tarun Naga Venkatesh, Asst. Prof.

On receiving the letter of permission from K.C.P. Sugar and Industries Corporation Limited, Vuyyuru. Students with two faculty members went on an industrial visit to K.C.P. Sugar and Industries Corporation Limited on 28/12/2021. We all assembled at the college at 9:30AM. We reached the K.C.P. Sugar and Industries Corporation Limited at 10:30AM the K.C.P. Sugar and Industries Corporation Limited members are received us at the entrance and gave a brief introduction about the process of manufacturing of sugar, Rectified Spirit, Extra Neutral Alcohol, Ethanol, Incidental Cogeneration of Power, Organic Manure, Mycorrhiza Vam, Calcium Lactate and CO₂.

Sections visited in the industry:

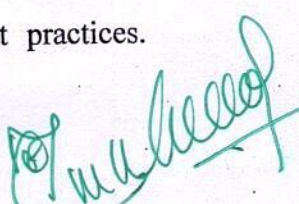

- Manufacturing of Sugar
- Manufacturing of Chemicals
- Production of Power & Fuels

Purpose of Visit:

Our main purpose for this visit is to be familiar with industrial environment and to get practical knowledge of different manufacturing operations of sugar, power and chemicals.

Outcome:

Students gained practical knowledge through interactions and became familiar with the various manufacturing processes related to the sugar industry and employment practices. Students got practical exposure from academic point of view.

The Principal,
SRK Institute of Technology,
Enikepadu,
Vijayawada – 521 108.

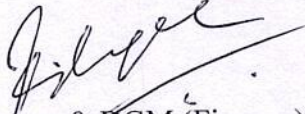

Sir,

Sub: Permission for industrial visit of MBA students - Reg.
Ref: Your Letter dt.12-04-2022.

Please refer to your letter cited above on the captioned subject. You may depute your MBA & Integrated MBA students (165 nos.) in two batches for the visit of our company on 4th & 7th May, 2022 at 10.30 a.m. accompanied by your faculty members to take care of them while they are in our factory premises. Students must possess identity proof from your institution and wear proper nose masks while they are in the factory premises. It may also be noted that **carrying cell phones in the factory premises is strictly prohibited** and hence you should make arrangements to keep them outside. For any further information, please contact our Shri R.Banerjee Babu, Advisor-Production on the subject.

Thanking you,

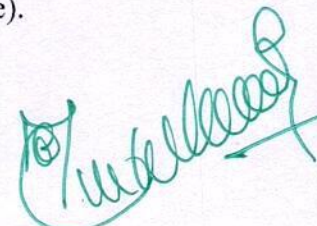

Yours faithfully,
For Jocil Limited,

Secretary & DGM (Finance).

Dt:

Vijayawada.

Dear Sir,

Sub: Permission for Industrial Visit on 4th and 7th date - Reg.

As you may be aware, SRK INSTITUTE OF TECHNOLOGY is one of the most reputed Engineering Institutions in Vijayawada and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in ECE, EEE, CSE, IT, Mech & CIVIL as well as MBA & Integrated MBA. The state-of-the-art facilities and competent faculty provide an excellent climate for the all round development of the students. As a part of the curriculum, the students are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory. In the above background, we would like to send 165 students of MBA & Integrated MBA accompanied by 6 staff members to visit your esteemed industry on the above preferable date or as per your preference. I request you, to kindly accord the necessary permission for the above visit and arrange for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit. We shall be grateful for a favorable response at mbaatsrk@gmail.com

Thanking You.

RECORD OF STUDENT INDUSTRIAL VISIT & THEIR FEEDBACK

Academic year: 2021-22

Semester: Date: 7/05/22

Name and address of industry visited: Jocil Industries Ltd
Arundelpet-p.o; Guntur - 522 002, Andhra pradesh
India.

Date: 7/05/22

Time Duration: 9:30 Am to 03:00 Pm

Year / Semester: MBA II / III

Total No. of Students: 77

Name of the in charge and other Faculty who organized this Industrial visit:

Dr. M. Veerabhadra Rao, Professor, B. Indira, Ant.

Contact Person at Industry: Shri. R. Banerjee Babu

Visit related to the subject: manufacturing process / operations manag.

During visit the students were taken to following Departments in the Industry;

1. production Dept
2. Quality Control
3. packing Dept
4. Finance Dept

Feedback obtained from the following students (enclose as annexure)

- 01 D. Gurus Brahmam - MBA II year
- 02 P. Nazeeema - Intg. MBA III year
- 03 M. Devisri - Intg. MBA III year
- 04 M. Sirivaishini - Intg. MBA III year
- 05 P. Saala - MBA II year
- 06 M. Rohith - MBA II year
- 07 J. Sravan - MBA II year
- 08 M. Raish - Intg. MBA III year
- 09 D. Ishwarya - Intg. MBA III year

About Jocil Ltd.

A Public limited company incorporated in February 1978 as Andhra Pradesh oil and chemical Industries Ltd.

* Listed in National Stock Exchange (NSE) Madras and Hyderabad Stock Exchanges. Renamed as "Jayalakshmi oil and chemical Industries Limited" in 1982. Became a

Subsidiary of The Andhra Sugars Ltd (ASL) on 27 October 1988.

- * ASL Group of companies have diversified interests in Sugar, Chemicals such as caustic soda, Acetic Acid, Industrial Alcohol, Sulfuric Acid, Aspirin etc.
- * Petrochemicals and Textiles at various locations in Andhra Pradesh, India.
- * ASL is also the sole supplier of Rocket fuel (UDMH) to ISRO. Renamed once again as "Jscil Limited" in 1992.
- * ISO 9001:2000 certification by DNV in year 2004.
- * Continuous unbroken dividend paying record since 1988-89.
- * 30 years of Experience in the field of manufacture of Stearic Acid Flakes, Fatty Acids, Toilet Soap, Soap Noodles, and Refined Glycerine.
- * Stearic Acid flake are available in various grades for use pharmaceuticals, Cosmetics, Textiles, Paints, Plastics, Tyres, Tread Rubber, Metal Polish and other Industries.
- * 46 MW Biomass Cogeneration power plant commissioned in 2001, to meet captive requirements of Steam & Power.
- * Exports Surplus Power to APSPDC (Public Utility Company But not know)
- * Celebrated Silver Jubilee in the year 2003
- * ISO 9001:2000 certification by DNV in year 2004.
- * Ventured into wind energy in the year of 2005.

PRINCIPAL
S.R.K. INSTITUTE OF TECHNOLOGY
EMREPADO, VIJAYAWADA.

* Wind farm is registered a CDM Project with UNFCCC in year 2009.

* ISO 9001:2015 Certification by TUV in year 2016.

Policies & Philosophy

The company has well defined policies for

* Quality.

* Consumer Safety.

* Safety, Health and Environment (SHE)

Company's Philosophy:

* To be a Successful Profit Making Organization

* To conduct its Operations with Honesty, Integrity and Transparency.

* To be the Market leader in its field of operations through continual Improvement in efficiency and Quality of Product & Services.

* To have concern for Employees, Shareholders, Customers and Business Associates alike

* To serve Society through Industry.

* To care for the Environment and the world in which we live.

PRINCIPAL
S.R.K. INSTITUTE OF TECHNOLOGY

Stearic Acid

Product offered in the form of free flowing flakes, in different grades and to suit various Industrial Applications.

Uses Industries: Rubber, PVC, Cosmetic, Metal Polish, Paints, Tyres, food Pharmaceuticals, Speciality chemicals.

Customers include MRF / Elgitrud / Nestle / HUL / clarifant / BASF / Century Pharma Sun Pharma etc.

Also manufactures High purity product like 90% minimum Stearic Acid Customer Specific grades to suit specific Industrial applications.

Distilled Fatty Acids

Distilled Fatty Acids Manufactured from vegetable oils like coconut oil, Palm Kernel oil, Rice Bran oil.

Uses Industries: Toilet Soap, Speciality chemicals, Industrial Greases etc.

Customers include HUL / BASF / Emami / Bayer ABS Limited.

Fractionated Products Manufactured: Toilet Soap /

Speciality chemicals / Industrial Greases etc.

Technology - Sulzer A few of these are under

trial Production and will be available soon for

Commercial sale.

Fatty Acids

Adopting Latest Technologies

- * High Pressure fat splitting plant.
- * Fatty Acid Fractionation plant
- * Sweet water Evaporation plant
- * Fully Automated & centralised control system.
- * Proven Technologies of Gianazza, Sulzer, and CMB
- * Equipped with facilities / Plants to Process Different oils at a time.

Plant control through Delta V Distributed control system

- * Supplied by Emerson Process Management.
- * Advanced Diagnostics & Process Performance Monitoring
- * Remote calibration and Diagnostics of field Instruments
- * Uses latest Foundation fieldbus & HART Field Instruments

Refined Glycerine

Refined Glycerine is a byproduct from the process of vegetable oils during the manufacture of fatty acids.

Grades offered: CP (Chemically Pure) | IW (Industrial white)

Soap Noodles

Product can be offered to suit customer requirements

Strengths: Flexibility to Manufacture five Different Grades

at a time. 250 tpi of installed Capacity. Translucent

cent Noodles and Premium Noodles of High Quality.

ENIKEPADU, VIJAYAWADA.

sulfuric acid, Aspirin etc. petrochemicals and Textiles at various locations in Andhra Pradesh, India. ASL is also the sole supplier of Rocket fuel to ISRO.

It is Renamed once again as "Jouil Limited" in 1992. And also they producing some of the businesses.

The businesses like soap, oleochemicals, Fatty acids, soap noodles, stearic acid, Oxygen production, and glycerin, etc. The productions are done in the Jouil Limited company.

PRINCIPAL
S.R.K. INSTITUTE OF TECHNOLOGY
ENIKEPADU, VIJAYAWADA.

A 6MW Biomass Cogeneration power plant commissioned in the year 2001, to meet the captive requirements of steam and power.

Exports surplus power to APSPDCL. It is a public limited company. It is continuously unbroken dividend paying the record since 1988-1989.

And they explained each and every process clearly. And they informed that they celebrated silver jubilee in the year 2003. and ISO certified in 9001:2000 in the year 2004.

PRINCIPAL
S.R.K. INSTITUTE OF TECHNOLOGY
ENIKEPADU, VIJAYAWADA.

Joi Ltd a subsidiary of Andhra sugars is incorporated on 1978 is in the business of manufacturing the fatty acids, glycerine, Toilet soap, Industrial oxygent etc.

Joi's manufacturing unit is located at Guntur District Andhra Pradesh. The company issued 730000 FCDs in Feb' 95 at Rs. 75 each as per the terms of the issue each debenture was also converted into one fully paid equity share of Rs. 10 each at the premium of Rs. 65.

PRINCIPAL
S.R.K. INSTITUTE OF TECHNOLOGY
ENIKEPADU, VIJAYAWADA.

The surplus power after the captive requirement for the process plant is exported to AP Transco grid. Due to some delay in the supply of equipment the plant could not be commissioned in time.

presently the third sale of power is only permitted on month-to-month basis this depends upon the pending final decision of AP electricity.

The company is planning to use latest technology in enhancing fatty acids.

The company manufactures oleochemicals such as stearic acid, distilled fatty acid, fractionated fatty acid and refined glycerine.

It also manufactures the toilet soaps, soap noodles and special products. It also undertakes contract manufacturing for various companies.

The parent company is the Andhra Sugars. The Andhra Sugars has business interest in the organic and inorganic chemicals.

Milestones

1978 - The company was incorporated as Andhra Pradesh oil and chemical Industries.

Total no. of Participants : 80
About the Event : student visited the diary & acquire product knowledge about milk.
feed back : statement students felt happy about the sangam diary.

PRINCIPAL

Sangam dairy :

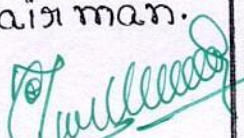

Under OPERATION FLOOD:- 1, a feeder Balancing Dairy was established at vadlamudi village of Guntur District by the NDDB in the year 1977. The milk producers of Krishna Guntur & west Godavari districts generously contributed & donated one day milk value for the purchase of 34.46 acres of land to construct a dairy plant, subsequently 53 acres of land was purchased to construct staff Quarters & technical inputs program facilities. The Guntur District milk producers co-operative union Ltd., was registered under the APES ACT-1964 on 23-02-1977. The Government of AP has handed over the feeder Balancing Dairy to the union Board along with two chilling centers located at Narasaraopet & Gurajala on 01-08-1978. There were 91 registered milk societies at that time. The Government has also contributed Rs. 81 lakh to the

PRINCIPAL

union as share capital. The union has been converted to the A.P MACS ACT 1995 with valuable support from NDDB on 01-02-1997 to facilitate more democracy & freedom to the affiliated societies as well as in the governing of the union. As a requisite for conversion, the union had repaid the share capital of Rs. 81 lakhs of to the Government of A.P by obtaining Interest free loan from NDDB. Further, Sangam Dairy was Incorporated as "Sangam Milk Producer Company Limited" under part IX-A of the Companies Act 1956 on 18-06-2013.

The name "Sangam Dairy" is due to the presence of "Sangameswara" temple at sangam jagarlamudi village near the vicinity of vadlamudi village. The Dairy is located on the Guntur - Tenali state highway a distance of about 15 km from Guntur & 10 km from Tenali giving good architectural view to attracting visitors. It one of the most familiar visitor's spots in Guntur District. Sri. D. Veeraiyah chowdary popularly known as 'Pala veeraiyah', Sri. D. Veeraiyah chowdary (DVC) was Elected as the Chairman of sangam Dairy in 1979 & continued till.... He was

architect, in bringing several thousands of milk producers into cooperative fold, & assuring them a year round market for milk at remunerative prices being a farmer himself, he knew the sufferings of the farming community & all the decisions he had taken centred around the welfare of milk producers. His engagement with the milk producers was total. He was way ahead of his times & with his missionary zeal built a firm foundation for the growth of sangam Dairy in the milk map of India. He was an chairman.

PRINCIPAL

Jocil - Jayalakshmi oil & chemical Industries:

1978 - The company was Incorporated as Andhra Pradesh oil & chemical Industries. 1982 - The company was renamed as jayalakshmi oil & chemical Industry. 1988 - The company became subsidiary of Andhra sugars (ASL) on 27 october 1988. 1992 - The company was re-named as jocil. jocil ltd a subsidiary of Andhra sugars is incorporated on 1978 is in the business of manufacturing fatty Acids Glycerine Toilet soap Industrial oxygen etc. Jocil's manufacturing unit is located at Guntur District -t Andhra pradesh. The company Issued 730000 FGDs

Feb '95 at Rs 75 Each as per the terms of the Issue

Each debenture was converted into one fully paid

Equity share of Rs. 10 Each at a premium of Rs. 65

on Aug 95. Consequent to such conversion the Equity

capital has increased up 5 MW Combustion. based on

biomass cogeneration power plant for captive consu

-mption as well as for sale. In 2000-2001 the company

had commissioned the 6MW Biomass cogeneration powe

-r plant for captive. Consumption & for commercial

sale. The surplus power after captive requirement

Report On Industrial Visit

Jocil Limited

[A Subsidiary of the Andhra Sugars Limited]

Visited On.
04 May
2022.

I am G. Likhitha of Integrated MBA,
IInd Year, SRK Institute of Technology. I am
so glad for visiting the Jocil Company. It was
very useful by visiting the Company. I learned a
lot of things like manufacturing of Products, etc.

Jocil is a Public Limited Company
incorporated in 20 February 1978 as Andhra Pradesh
oil and chemical Industries Ltd.

The Company manufactures and supply
stearic Acid flakes, Fatty Acids, Toilet Soap, Soap
Noodles and Refined Glycerines, industrial oxygen,
and in the generation of biomass and wind.

The Company operates through different segments i.e., the Chemical segment manufactures fatty acids. The Soap segment manufactures toilet Soap and Soap Products like Soap Noodles. The power segment generates power by biomass Power Plant and Wind energy generator. Its headquarter is in Guntur, India.

It was listed in National Stock Exchange (NSE) Chennai and Hyderabad stock exchanges.

The first name given to this company is "Andhra Pradesh Oil and Chemical Industries Ltd" and then renamed as "Jayalakshmi Oil and Chemical Industries Limited" in 1982.

ASL (Andhra Sugars Ltd) Group of Companies have diversified interests in Sugar, chemicals such as Caustic Soda, Acetic acid, Industrial Alcohol, Sulphuric Acid, etc. Petrochemicals & Textiles at various locations.

It has 30 years of experience in the field of manufacture. And again Renamed as "Jocil Limited" in 1992. The clients of this Company are HUL, ITC, MRF, Marico, Jyothi Laboratories Ltd, Birla tyres, etc.

The Company manufactures glycerin by using the Hydrolysis Process which is made from Vegetable oils like Palm, Soya and Coconut and shea oils. This causes the glycerin to split away from the fatty acids & mix together with water, forming an odorless, sweet-tasting, syrup like liquid. It is used in cosmetic which is occurred by heating of rich vegetable fats.

It manufactures Soap and its products by using the oils and fats like shea oil, Palm oil, Palm kernel oil, Rice Bran oil, Coconut oil by heating them with NaOH. by Saponification, oil bleaching, Soap drying, Soap Noodles and at end Soap sticks are made and they are cutted into Soap Cakes and at end the wrapping of Soap. The different

Soaps that are available in the Jost Ltd Company are Vivel, marigo, Savelon, Liril, Rexona, ...etc.

The Company manufactures stearic Acid flakes by hydrolysis of vegetable oils & fatty oils followed by distillation or crystallization. of the resulting fatty acids. Pressing Methods separate the liquid unsaturated fatty acids from the solid saturated fatty acid. It is used in cosmetics, Personal care Products, etc that are used in Pharmaceuticals, Textiles, Paints, Plastics, Tyres, Tread Rubber, Metal polish and other Industries.

A 6 Mw Biomass Cogeneration Power Plant Commissioned in 2001, to meet Captive requirements of steam Power. By using the Vegetable oils waste like Rice shell, Rice straw, husks, Palm empty fruit bunch, Palm shell, Palm oil mill effluent, Shea Nut shells, etc are steamed and the power is Produced through them to that Company. And kind energy ventured in the year 2005. and Wind farm is registered as CDM

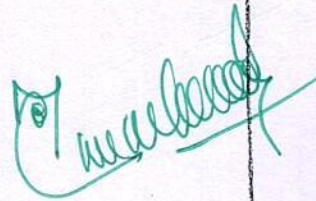

Project and the Power is regenerated. Water is also Provided by its own to the Company through Water bores, Water Pockets, etc.

The Company has Certificates like ISO 9001:2000 Certificate by DNV in the year 2001 and ISO 9001:2015 Certification by TÜV in year 2016 and goods manufacturing Practices Certificate is issued to this Company. It has a Continuous unbroken dividend Paying record since 1988-89. and Export surplus power to Apspdcl (Public utility Company). And its Parent Organisation is Andhra Sugars Ltd (ASL)

(A subsidiary of the Andhra sugar limited).

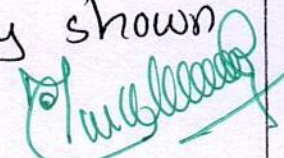

Visited on

4 may 2022,

I am N. Hema Sai pursuing IMBA 2nd year in SRKIT. We visited Jocil limited company on 4th may 2022. The Jocil limited company manufactures, fatty acids, glycerin and soaps. The parent company of Jocil is Andhra sugars.

The company marketing managers have given a brief explanation about the company and their activities and production process going on their company by this presentation it is very helpful to us to know about the company in a easy way & later they shown us the company.

The main manufacturing product of the company is stearic acid. The company's product includes stearic acid, toilet

PRINCIPAL
S. K. INSTITUTE OF TECHNOLOGY
ENKEPALLE, TAWADA.

soaps, fatty acids, soap noodles and glycerine.

These products have applications in area of pharmaceuticals, cosmetics, textiles, paints, plastics, tyres, tread rubber, Metal polish & other industries. The company has clientele namely HUL, Henkel, Johnson & MRF Tyres, etc...

The Jocil company manufactures the toilet-soaps like, Vevel, Lux present. But the products are sold under HUL brand. In past they manufactured margo, and other soaps but due to losses of the company they stopped manufacturing of some soaps.

They use vegetable oils in the manufacturing process of soaps. They manufacture glycerin, the process is that they convert sweet water in steaming after distillation under 60% pressure. The glycerine is converted.

They also manufacture hydrogen gases with that help they manufacture

Stearic Acid flakes.

The soap noodle are powdered and Particular secret formula is added to soaps and then roasted and vacuum is applied then the soap was manufactured and packed.

Jocil has a manufacturing capacity of 67,500 TPA (Fatty acids), 1,800 TPA (Glycerine) and 25000 TPA (soaps). Based at DOKIPARU, the Company also has a captive power plant with 6MW capacity.

Jocil company has it's water reservoirs to store water for 3 months. And it has it's own bore wells and the company uses it's own power, the power is converted from Hydrogen gases. The company also has ventured wind energy in Tamil Nadu.

Jocil company also provides oxygen. They fill the oxygen in ~~tanks~~ ^{Cylinders}. They provided many oxygen cylinders in covid time for many hospitals. That is very great thing done by them.

Jocil Company has ISO 9001-2000 certificate, in the year 2004. As Jocil is a Public Company, it gives shares to all public people. The share value is 10/- available in the market. They also give dividend to their share-holders every year from 1% to 100%. Sometime they even give 150% of dividend to their share holders. So, their share value increases as the dividend increases.

The 55% of shares are with owners of the company and remaining shares are given to public shares. The Jocil company pays 106 crores of Rupees to Government as Tax every year. 55 lakh crores is the profit of the company. They give share amount to the share holders.

By visiting the company we have learnt the production process of soaps and acids and the financial budget of the company, and the shares of the company. It's very helpful to us by visiting Jocil Company.

JOCIL Limited Company

About Us : 4/5/22

→ A public limited company incorporated in February 1978 as Andhra Pradesh oil and chemical Industries Ltd.

→ Listed in National Stock Exchange (NSE) Madras and Hyderabad stock exchanges.

→ Renamed as "Jayalakshmi oil and chemical Industries Limited" in 1982.

→ Became a subsidiary of the Andhra Sugars Ltd (ASL) on 27 October 1988.

→ ASL Group of Companies have diversified interests in sugar, chemicals such as caustic Soda, Acetic Acid, industrial Alcohol, Sulfuric Acid, Aspirin etc., Petrochemicals and Textiles at various locations in Andhra Pradesh, India.

→ ASL is also the sole supplier of Rocket fuel (UDMH) to ISRO.

→ Renamed once again as "Jocil Limited" in 1992.

→ 30 years of experience in the field of manufacture of stearic acid flakes, fatty acids, Toilet soap, soap noodles and Refined Glycerine.

→ Stearic acid flakes are available in various grades for use in pharmaceuticals, cosmetics, Textiles, paints, plastics, Tyres, Tread Rubber, Metal Polish and other industries.

→ A 6 MW Biomass cogeneration power plant commissioned in 2001, to meet captive requirements of steam & power.

RECORD OF STUDENT INDUSTRIAL VISIT & THEIR FEEDBACK

SRKIT / MBA / 37

Academic year: 2021-22

Semester: Date: 29/04/22

Name and address of industry visited: Sangan Milk Producer Company Ltd, Vadlamud

Date: 28/04/2022

Time Duration: 9:30 Am to 3:00 PM

Year / Semester: II & III Total No. of Students: 90
MBA - I & II

Name of the in charge and other Faculty who organized this Industrial visit:

Dr. M. Veerabhadra Rao, Professor

SK. Shatirullah, Asst. Prof

... D. Chinn, Asst. Prof

B. Indira, Asst. Prof

Contact Person at Industry: Mr. B. Ramiah, GM (Operations)

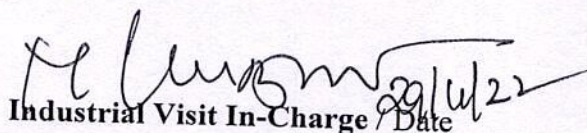

Visit related to the subject: Operations Management.

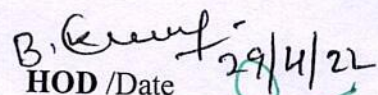

During visit the students were taken to following Departments in the Industry;

1. 2. 3. 4. Production Dept, Quality Control, Factory Dept, Finance Dept.

Feedback obtained from the following students (enclose as annexure)

- 01 ... A. Likhitha — MBA I yr
- 02 ... D. Valsu — Intg. MBA II yr
- 03 ... L. Vishal — Intg. MBA II yr
- 04 ... Y. Chandrika — Intg. MBA II yr
- 05 ... Suhel — MBA II yr
- 06 ... J. Karja — Intg. MBA I yr
- 07 ... I. Yoshitha — Intg. MBA I yr
- 08 ... SK. Bajima — Intg. MBA I yr
- 09 ... K. Sravya Lakshmi — MBA I yr

Dear Sir,

Sub: Permission for Industrial Visit on 27th and 28th Reg.

As you may be aware, SRK INSTITUTE OF TECHNOLOGY is one of the most reputed Engineering Institutions in Vijayawada and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in ECE, EEE, CSE, IT, Mech & CIVIL as well as MBA & Integrated MBA. The state-of-the-art facilities and competent faculty provide an excellent climate for the all round development of the students. As a part of the curriculum, the students are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory. In the above background, we would like to send 165 students of MBA & Integrated MBA accompanied by 6 staff members to visit your esteemed industry on the above preferable date or as per your preference. I request you, to kindly accord the necessary permission for the above visit and arrange for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit. We shall be grateful for a favorable response at mbaatsrk@gmail.com

Thanking You.

Report on Industrial Visit ON SANGAM DIARY.

An industrial visit was arranged for MBA I years and II year IMBA students on 28th April 2022 to sangam diary, Vadlamudi, Guntur district. The team (80 students and two staff members) started at 9:00 am from the university premises and reached Vadlamudi by 11:45 am. B. Indira mam, assistant professor, co-ordinated in the tour and the arrival was communicated to the management of the industry. Students visited various sections like the RMRD processing, Butter, by products, Ghee, powder, cold storage and packing. Boiler sections in the industry guided the students and explained the reception.

About Sangam Dairy

Under OPERATION Flood - I a feeder balancing Dairy was established at Vadlamudi village of Guntur district by the NDDDB in the year 1977. The Milk producers of Krishna, Guntur and West Godavari districts generously contributed and donated one day milk value for the purchase of 34.46 acres of land to construct a dairy plant subsequently

The union has been converted to the A.P. Mlacs Act 1995 with valuable support from NDDDB on 01-02-1997. The name "Sangam Dairy" is due to the presence of "Sangameswara temple" at Sangam Jagarlamudi village near the vicinity of Vadlamudi village. It is located on Guntur.

Vision & Mission of Sangam

diary :-

Vision :-

- * To be the best co-operative transforming according to time need and challenges.
- * Following the best practices of clean milk production from farmer to dairy and providing qualitative service to farmers.
- * Quality is our motto. utilising advanced technologies and continuous research for manufacturing of products.

Mission :-

- * Ensuring prosperity of milk producers through sustainable dairying
- * Transforming the spirit of co-operative principles in reality.

* We strive to protect the environment and nature.

Our Management :—

Our management work day in and day out to ensure there is good strategy for proper co-ordination, implementation and results.

Sangam milk producer company limited is a private incorporate on 18 June 2013. It is classified as non-govt company and is registered to registrar of companies, vijayawada. Its authorised share capital is Rs. 1,500,000,000 and its paid up capital is Rs. 654,022,020.

Dear Sir,

Sub: Permission for Industrial Visit on _____ – Reg.

As you may be aware, SRK INSTITUTE OF TECHNOLOGY is one of the most reputed Engineering Institutions in Vijayawada and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in ECE, EEE, CSE, IT, Mech & CIVIL as well as MBA & Integrated MBA. The state-of-the-art facilities and competent faculty provide an excellent climate for the all round development of the students. As a part of the curriculum, the students are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory. In the above background, we would like to send 165 students of MBA & Integrated MBA accompanied by 6 staff members to visit your esteemed industry on the above preferable date or as per your preference. I request you, to kindly accord the necessary permission for the above visit and arrange for guiding the students. We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit. We shall be grateful for a favorable response at mbaatsrk@gmail.com

Thanking You.

Faculty Coordinator:

Dr. M. Veerabhadra Rao

VIJAYAWADA – 521108.

Dear Sir,

Sub: Seeking permission for Industrial Visit– reg.

Ref: your letter dated: 20.04.2022.

Regarding the above subject, we are pleased for your interest and hence the permission granted for Industrial Visit for 1 batch consisting of 60 students along with faculty accompanying them for MBA students.

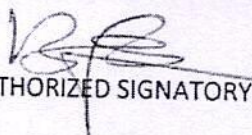

The following suggestions / Instructions are to be followed strictly.

- 1) All the students should come with College Uniform, shoes & I.D. card.
- 2) Discipline is very important.
- 3) Cameras & Mobiles are not allowed. If found, will not be returned.
- 4) **Photography strictly not allowed within the factory premises.**
- 5) Water is provided during the industrial visit. Will not provide any refreshments / meals to the students & faculty.
- 6) Safety Precautions should be followed strictly and Student's safety is college responsibility.

All the above suggestions / Instructions should be followed strictly and you can visit to our factory on **26.04.2022 (Tuesday)**.

Thanks for showing & choosing interest on our company for Industrial Visit.

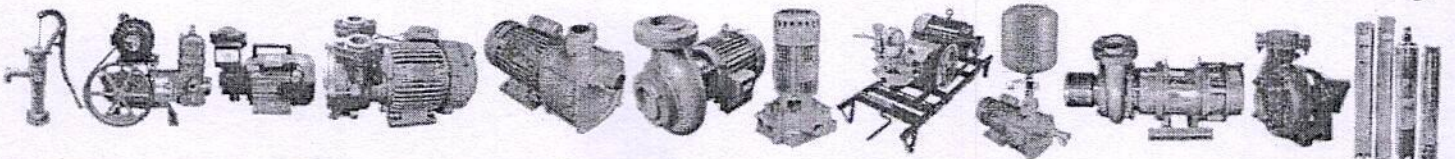

For **SRI LAKSHMI GANAPATHI ENGINEERING WORKS**
