Name of the Event : A Seminar on “Awareness program on GATE and  
ESE, Career opportunities after Engineering”

Date of the Event : 11/03/2022

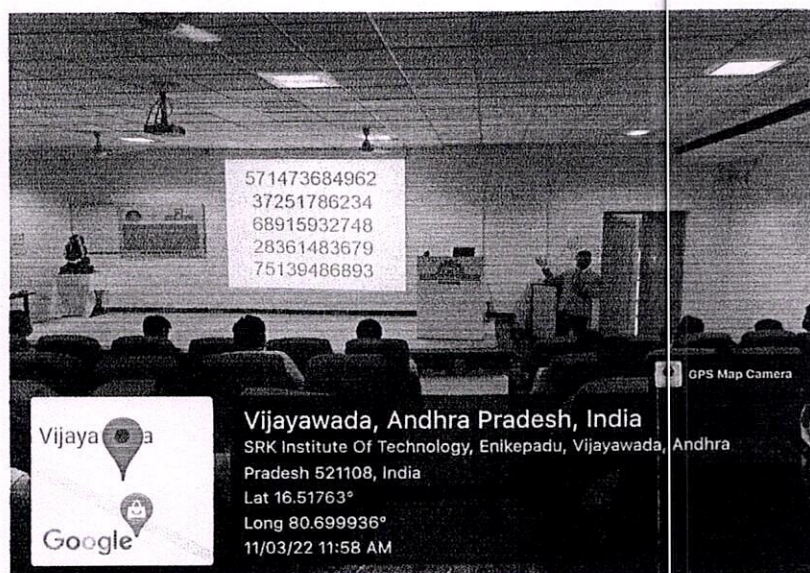

Venue : Ground floor Seminar Hall (A-107)

**Description:**

The Seminar is conducted for Civil Engineering students looking for work opportunities after completing their B.Tech undergraduate degree course. Various career opportunities after completing B.Tech have been discussed. Civil Engineering is a professional engineering discipline and the oldest which deals with the constructed environment.

Resource person explained clearly regarding how civil engineering graduates can get different Government jobs through GATE & ESE exams. He also explained how to choose a correct path in Civil Engineering stream. He mentioned that if he/she has an interest in design, Construction and creativity of natural or physical build environment then civil engineering career is the best choice for him/her, to prove his/her ability and find the career which he/she wish to choose.

Finally resource person concluded that through exams civil students can choose best path and become successful in their careers.
