Sub: Submission of NSS Pre-Camp Survey Report – Reg.,

As a part of NSS Special Camping proposed to be conducted at **Velpuru Village**, Kankipadu Mandal, Krishna District scheduled from **25-03-2023 to 31-03-2023**, I visited to Velpuru Village for 3 times and met Village Surpanch Smt. Chennuboyina Siva Nagendramma & Sri. B. Venkateswara Rao , Village Secretary and other village people to identify their needs and necessary arrangements towards Special Camp. In this connection we planned to conduct the following activities during the Special Camp of 7 days.:

- Soil Testing, Soil Health Care and Conservation & Water Testing (Day 1)
- Constitutional rights of Women and Safety Issues. (Day 2)
- Importance of Education awareness. (Day 3)
- Motivating School Dropouts to rejoin (Day 4)
- Health Education and Preliminary health care (Day 5)
- H3N2 Awareness Program & Swacch Bharat Program (Day 6)
- Plantation and Cleanliness drive & Valedictory Function (Day 7)

This is for your information.

Yours Sincerely,

Day 1 : 25/03/2023

Soil Testing, Soil Health Care and Conservation & Water Testing.

Report:

A soil test is important for several reasons: to optimize crop production, to protect the environment from contamination by runoff and leaching of excess fertilizers, to aid in the diagnosis of plant culture problems, to improve the nutritional balance of the growing media and to save money and conserve energy by applying only the amount of fertilizer needed. In consideration of the benefits from the soil testing, it is planned to conduct tests of Soil & Drinking Water in the adopted village, Velpuru, Krishna District. Mr. T. Subba Rao, Sarpanch of the Velpuru Village inaugurated the Special camp and addressed the volunteers of SRKIT NSS Unit with their motivational words. The Volunteers of the camp displayed the placards with the Soil conservation and created awareness to the farmers in the Velpuru Village.

Why soil testing is done?

- A – To estimate available nutrients in soil.
- B – To evaluate fertility status of soil.
- C – To recommendation exact amount of fertilizers for crop.
- D – To determine soil problems (acidity, alkalinity).
- E – To check soil pollution status.
- F – To prepare soil fertility maps.

The water testing is conducted in the velpuru village to identify the presence of certain contaminants in our water can lead to health issues, including gastrointestinal illness, reproductive problems, and neurological disorders. Infants, young children, pregnant women, the elderly, and people with weakened immune systems may be especially at risk for illness.

The reports of Soil & Water testing are enclosed.

REPORT

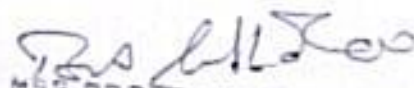

1. INTRODUCTION

NSS Unit of SRK Institute of Technology, Enikepadu, Vijayawada requested the Civil Engineering Department of S.R.K. Institute of Technology, Enikepadu, Vijayawada to conduct the necessary soil studies and recommend for suitability of different soil samples at Velpuru, Krishna District through SRK Institute of Technology, Enikepadu, Vijayawada and analyzed in the laboratory for different parameters.

The following are the responsibilities of Civil Engineering Department, SRK Institute of Technology, Enikepadu, Vijayawada.

1. Collection of soil samples from different locations of agricultural field in and around velpuru..
2. To Conduct various tests for suitability of soils for different crops.
3. The test results are given in the table.

This report contains the results of field survey and laboratory tests.

Day 2 : 26/03/2023

Constitutional Rights of Women and Safety Issues.

Report:

India is a country known for its rich beautiful culture and tradition. Women are given the place of goddess Lakshmi in the Indian culture. But by seeing the last few year crimes against women, there seems the safety and security of women are at stake. As we can literally observe that crimes against women occur every minute in India. There has been a decline in the women status from ancient to medieval period which is continued in such an advanced era.

The principle of gender equality is enshrined in the Indian Constitution in its Preamble, Fundamental Rights, Fundamental Duties and Directive Principles. The Constitution not only grants equality to women, but also empowers the State to adopt measures of positive discrimination in favour of women. In line with the above content, the SRKIT – NSS Unit created awareness program on Constitutional Rights of Women and Safety Issues on 26/04/2023 at Velpuru Village, Krishna District, Andhra Pradesh.

Day 3 : 27/03/2023

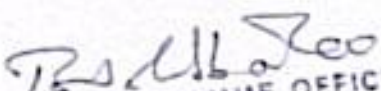

Awareness Program on Importance of Education.

Report:

Education is one of the key components that bring growth and progress into society. The more people in a society are educated, the more they can provide a beneficial contribution to their environment. This fact increases the importance of education in society and has resulted in governments investing in education more than ever before. Another fact that adds value to the importance of education is that it has an essential role in an individual's life. In an era of "Lifelong Learning" understanding the importance of education is also the ultimate key to success.

The children of today are the adult citizens of tomorrow. Building a brighter future is only possible with a more personalised education system. Yet there is so much to do to improve the awareness on the importance of early childhood education.

According to Pearson, **57 million children do not have any idea** about what it's like to be in a classroom. Millions more are getting an education, but not learning effectively. In view of the above context, the SRKIT – NSS Unit conducted Awareness Program on Importance of Education at Velpuru Village, Krishna District, Andhra Pradesh on 27/03/2023 to address the above issue. The Volunteers addressed the students of the School and motivated through their speeches with real world examples. Essay Writing, Drawing, Spell a word Competitions were conducted to the students and handover the prizes to the winning students in the presence of Head Mistress of the School along with other teachers.

Day 4 : 28/03/2023

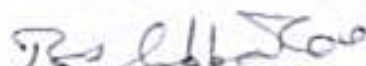

Motivating School Dropouts to Rejoin

Report:

Every year, a large number of students drop out of school worldwide. This hinders their economic and social well being as well as reduces the literacy rate of the country and creates a non-innovative environment. The issue of dropout in India is of particular importance and interest. As per the recent survey by National Statistical Office (NSO) has revealed that around 12.6% of students drop out of school in India, 19.8% discontinued education at the secondary level, while 17.5% dropped out at the upper primary level. Many children believe that there is no point in studying if they have to do the same job as their parents, thus they leave school at primary level itself.

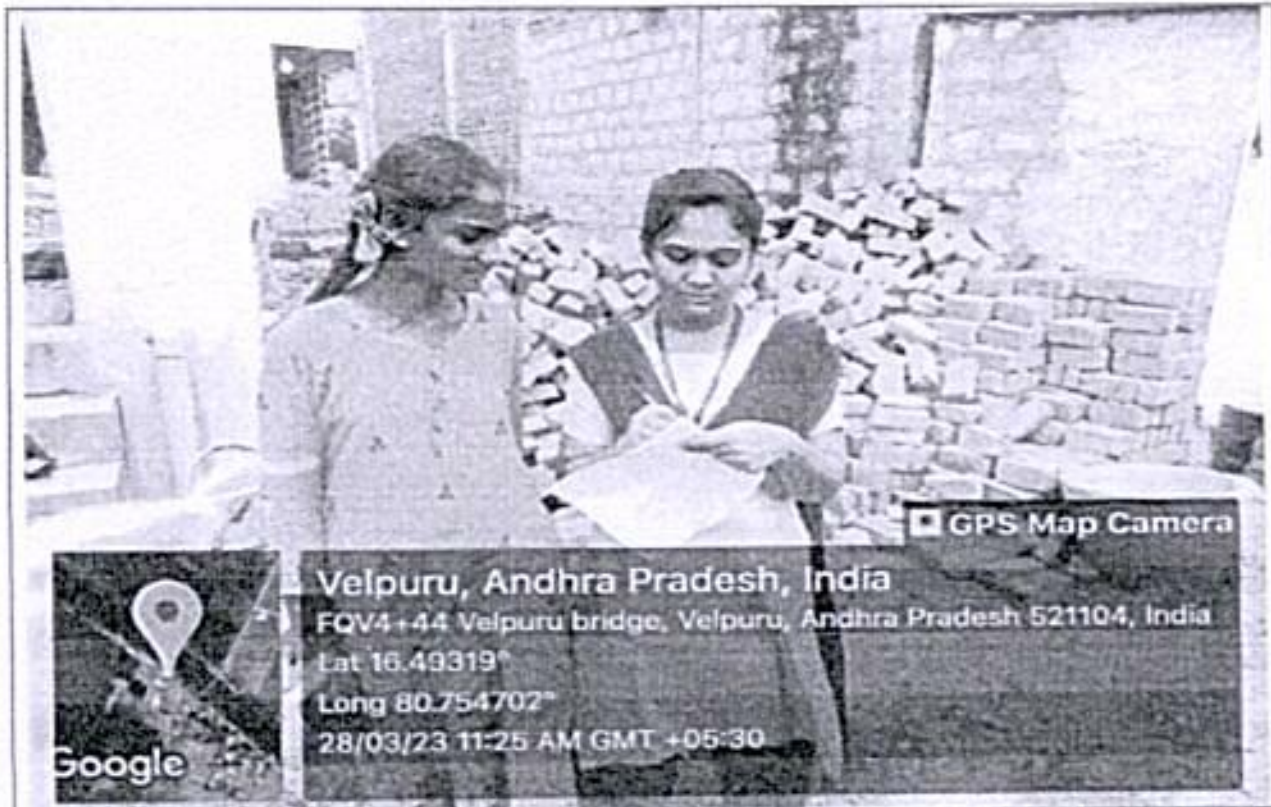

By considering the above aspect, the NSS Unit of SRK Institute of Technology conducted at Motivational session for school dropouts to rejoin at Velpuru Village, Kankipadu Mandal, Krishna District on 28/03/2023. In this motivational session, the Volunteers of the unit approached the school dropouts as per the data collected from the Village Volunteers. The NSS Volunteers reached the children and counselled their parents by explaining the importance of education in their budding life. The National Education Policy 2020 has mentioned two initiatives that will be undertaken to curb the problem.

Day 5 : 29/03/2023

Health Education and Preliminary Health Care at Anganwadi

Report:

India has the dual burden of both communicable and non-communicable diseases and many of these diseases can be prevented by early diagnosis, providing health education, timely, referral and management. Lack of awareness and poor health-seeking behavior has been found to be the major underlying causes of many diseases. Primary health care centers are not present in many villages and wherever present they lack basic facilities. With this background, the NSS Unit of SRK Institute of Technology created awareness on Health Education and Preliminary Health Care organized in the adopted village – Velpuru, Kankipadu Mandal, Krishna District on 29/03/2023. In this program the NSS volunteers, created awareness to the villagers on the grounds of Preliminary Health Care. The NSS Unit also visited the Anganwadi Pre Primary School in the village and distributed Healthy Snack Food to the students. In this program, the Sarpanch of the Village & Secretary of the Sachivalayam also joined the distribution ceremony.

Day 6 : 30/03/2023

H3N2 Awareness Program & Swacch Bharat Program

Report:

Amid rising a Influenza type H3N2 cases across the country, the union government has advised states and union territories (UTs) to raise community awareness regarding adherence to respiratory and hand hygiene. As per the Government of India (GoI), young children, the elderly and people suffering from co-morbidities are particularly at risk and vulnerable to H1N1, H3N2, adenoviruses, etc. In view of the above issue, the SRK Institute of Technology – NSS Unit conducted Awareness Program on H3N2 virus spreading and precautions to be taken to avoid the transmission. For this, the NSS Unit Volunteers distributed Face Masks to all the children in the school. The volunteers also cleaned the premises of the school as a part of Swacch Bharat Program. The teachers, students of the school actively participated in the Swacch Bharat Program and stepped towards the Cleanliness of the Country.

Day 7: 31/03/2023

Plantation and Cleanliness & Prizes Distribution.

Report:

Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today. In connection with the above statement, the NSS Unit of SRK Institute of Technology conducted a Plantation Drive at Velpuru Village, Kankipadu Mandal, Krishna District on 31/03/2023. In this drive, the volunteers and school children actively participated to plant the saplings in and around the school. The school children understood the importance of greenery in the premises by the speeches of the NSS Volunteers. Along with that, the NSS Unit conducted various competitions like Chair Game, Running to the school children to cherish them and motivate towards successful education. The winning students awarded with prizes by the NSS Unit. In the Valedictory session of the NSS Special Camp, the NSS Program Officer – Mr. B.V.S.S. Subba Rao praised the active participation of 50 volunteers who supported the different planned themes even on the festivals and Holidays. He also thanked the Village officials who gave extended support for the successful completion of the Special camp. The Valedictory session is ended with the National Anthem.

Overall Report:

The NSS Unit at SRK Institute of Technology has been trying to follow and nurture the ideology of NSS in a manner that ensures meaningful participation of all stakeholders. The activities carried out in Seven Day Special NSS Camp- 2022-23 have served as an eye opener for the young NSS volunteers about the contemporary problems that our country is facing. The special initiatives and activities undertaken during the camp have served as a milestone in fostering social responsibility and nationalism among young NSS volunteers. SRK Institute of Technology has always had a strong vision and commitment toward the service of the society and its weaker sections. With deep sense of gratification, we take pride in the successful completion of the camp by the NSS volunteers of the College. Our NSS Unit worked on and off the campus with great enthusiasm and zeal. There are some remarkable social service activities done by the unit. For instance, plantation drives, Soil Testing & Conservation of Soil, Water Testing, H3N2 Virus Awareness & precautions to be taken, generating awareness about Women Safety & Issues, cleaning of School and surroundings by NSS volunteers, sensitization programs on sanitation, hygiene and cleanliness in adopted village Velpuru. The insemination of these activities, we believe will go long way in dispersing the seeds of Clean, Healthy and Green surroundings throughout the world through our NSS volunteers. We are pledged to social service and to take this initiative beyond the stipulated time frame. The principles on which NSS as an organization

is built, has inherent characters in line with the cause of nation building through service. The activities done by the NSS volunteers during the camp helped them to equip themselves with an insight, sensitivity and close understanding of the problems that are faced at the grass root level. With the field experiences, our volunteers have learnt how to lead a life of dignity with positive mind set and contribute to the growth of Nation by one or the other way. The enthusiasm which our volunteers put their heart into the NSS initiatives, this learning experience is bound to become a movement in itself in the times to come.

We take this opportunity to express our gratitude to Dr. M. Ekambaram Naidu, our worthy Principal, for her valuable inputs, guidance and support throughout the year. We congratulate and extend our best wishes to NSS volunteers, teaching and Non Teaching staff who have made this journey a success due to sincere and sustained efforts and for their keen efforts to accomplish the targets in the planned activities.

Letter of Recognition

This letter extends our warmest regards and appreciation for the NSS Volunteers of SRK Institute of Technology, Enikepadu, Vijayawada for their relentless services at Special Camp organized in our Village – Velpuru, Kankipadu Mandal, Krishna District from 25/03/2023 to 31/03/2023. The several activities undertaken in the Special Camp are Soil & Water Testing, Awareness on Women Rights, Literacy Awareness, Motivating School Dropouts to Rejoin, Health Education, H3N2 Awareness, Plantation, Swachh Bharat programs.

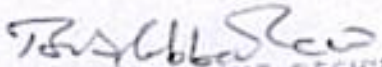

We are very happy to be associated with SRKKIT and shall like to continue the same.

CIRCULAR

This is to inform that all the students of SRKIT that the NSS Unit of our college is celebrating **World Environment Day** on **05/06/2023** as initiated by Government of India. This year theme of World Environment Day focused on solutions to plastic pollution under the campaign **#BeatPlasticPollution**. The world is being inundated by plastic. More than 400 million tonnes of plastic is produced every year, half of which is designed to be used only once. To create awareness to protect the Environment, the following events are planned to organize:

Event Name	Venue	Time
Student Essay Writing Competition on Environment	MBA Computer Lab, C-102, Block-C.	11:30 AM
Pledge on Environment Protection by the Students	SRKIT Play ground - Backside of Block-A.	3:00 PM
Planting of Saplings in the College Premises	Around the Block-A Building	3:30 PM

Hence, all are instructed to attend the program to protect the Environment.
