To,

**The Head of the Department, Civil Engineering,****SRK Institute of Technology,****Vijayawada.**

Dear Sir,

Greetings from ACE Engineering Academy!!!

ACE Engineering Academy is a leading institute in India for competitive exams in engineering. Over two decades of dedicated service, the Academy has consistently achieved best Ranks in IES (ESE) and excellent track record in GATE with 62 Times All India First Rank.

We are conducting webinars on "How to Crack GATE, IES (ESE) and PSUs in first attempt" across the country. In this regard, we take this opportunity to conduct this webinar at your prestigious college. This webinar is aimed for engineering students to create awareness about Competitive examination and career guidance. **All Branches of 1st ,2nd , 3rd & 4th Year Students and faculties of the institution are invited to this webinar.** The topic is interesting to discuss and we also organize discussion where active participation will make the students energetic. We need your support to carry on such an initiative.

**Order of the Proceedings-**

1. What are the various career Opportunities post Engineering Studies?
2. How exams like GATE | ESE (IES) |PSUs help students in achieving their dream of getting a government job?
3. What exactly are PSUs (Public Sector Undertakings) and How to crack them in one attempt?
4. What are the criteria for these types of exams?
5. Exam Pattern(Different Stages).
6. What are the benefits?
7. What are previous cut-offs?
8. What are various opportunities in different sectors of Engineering?
9. Our Previous track record for such examinations?
10. Tips & tricks to employ for better score in such competitive exams.
11. Students doubt solving session.
12. A short note on How we can help you achieve your goals, and many more things.

Duration of this webinar may be for 60 - 75 mins (for each discipline) OR You can do it Centralized, so that all disciplines will benefit at one time (60 - 75 minutes).

**Pl. Provide us your available dates & Timing to conduct Webinar.**

## PROGRAM REPORT

Date: 7-07-2021

**Title of the Program:** An Online Seminar on "A Guidance Program on Career Opportunities after B.Tech "

**Resource person :** Sri Pradeep Ragh, ACE Engineering Academy, Hyderabad, Telagana. Ph.no.8129511525.

**Guests:** Sri M.M.Basha , Regional Manager, ACE Academy, Vijayawada, Andhra Pradesh

**Duration :** 1.5hours (10:30AM to 12:00PM)

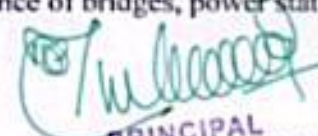

**No. of Participants :** 103

**Organized by:** Department of Civil Engineering, SRKIT.

**Description :**

The webinar was conducted especially for Civil Engineering students looking for work opportunities after completing their B.Tech/B.E. undergraduate degree course. Here, the various career options after completion of degree in civil engineering have been discussed. After studying at least 40 subjects one becomes a civil engineer, so it's very challenging to choose Civil Engineering as a Career. Any basic engineering field is good for your career as civil engineer. Specifically, civil engineering also has the advantage of getting a government job in almost every sector. Civil Engineering is a professional engineering discipline and the oldest which deals with the constructed environment.

The resource person explained clearly regarding how civil engineering graduates i.e civil engineers can work on any infrastructure project which ranges from the construction and maintenance of bridges, power stations,

airports, dams, roads & highways, expressways, waterways, industrial units, manufacturing plants, buildings, and factories, etc. He also mentioned that, if he/she has an interest in design, construction, and creativity of natural or physical build environment, then a civil engineering career is the best choice for him/her to prove his/her ability and find the career which he/she wish to choose.

Finally, the resource person concluded that "There is job satisfaction in this career, but it also comes with a lot of stress, as there are multiple projects that need to be handled and have to be completed on time. But the rewards are rich, civil engineers do a service to nation and earn their respect and that is where the job satisfaction comes from".
