MINUTES OF MEETING

The IIC members meeting was held on 08-08-2018 and the following resolutions are:

Objective: To explore and identify common avenues of interaction with industry as per requirements of the institution.

Scope: All the institution covered under the project will form Industry- Institution-Interaction Cell (IIC) to establish purposeful interaction between industry and institution.

Strategy: IIC will be responsible for designing the road map for interaction with industry recognizing the inherent strength as well as the weaknesses of the institution.

Suggested activities under IIC:

1. To identify and facilitate guest lecturers, interactive workshops, conferences, seminars, brain storming sessions, technical discussion etc., with members of the industry, outside experts, eminent personalities at regular interval.
2. To conduct industrial training, orientation courses, industrial visits etc for faculty and students at regular intervals.
3. To facilitate collaborative research work, consultancy involving faculty and students.
4. Also deployment of faculty from institutions to industry for gaining industrial experience and/or work on projects in industry.
5. To promote revenue generating activities for the institution like providing lab testing facilities, calibration, consultancy and R & D etc.

Deliverables: IIC will be responsible for the following deliverables.

1. Increase in collaboration with industry.
2. Increased rate of campus placement of students.
3. Absorption of students by same industries after providing industrial training.
4. Increase in industrial training from various industries and student internship.
