Overseas Student Health Cover (OSHC)

If you are applying to study as a student visa holder, the Australian Department of Home Affairs requires that you have Overseas Student Health Cover (OSHC) for the entire duration of your student visa. This means that the OSHC insurance must commence from approximately one month (4 weeks) prior to commencement of term and must be in effect until you leave Australia or move to a non-student visa subclass. CQUniversity's preferred OSHC provider is Allianz Global Assistance and you are provided with an Essentials Policy. The OSHC amount included in your offer is estimated on your expected visa duration. You will be required to finalise payment of any variation to this amount when you arrive on campus to enrol. If you plan to arrive prior to the start of your OSHC cover, you must immediately contact your health insurance provider to request that the cover starts earlier. This may mean that there are additional costs. If you intend to study on another temporary resident visa subclass (not student visa), please ensure you have adequate health insurance that meets the conditions applicable to your visa. Please note: Allianz Global Assistance OSHC schedule fees are subject to change. Policy details can be found at

<https://allianzassistancehealth.com.au/en/student-visa-oshc/cover/>

Tuition Fees

Fees are determined by CQUniversity annually and are subject to change. The fees that are payable in future years will be those that have been approved for that calendar year and may be different to those listed in your offer letter. Your offer letter lists the indicative annual fee (for two academic terms) and the deposit fee payable when you accept your offer. Commencing students who enrol from 2017 will be charged the relevant tuition fees as per the approved schedule for that year, and fees may increase each year. Units from a different discipline area will attract tuition fees at the applicable rate: this may increase/decrease your annual tuition fees. The other non-tuition fees applicable for the course are outlined in the CQUniversity Handbook at <https://handbook.cqu.edu.au/programs>. ** Please note that the fees mentioned in the acceptance table are the minimum standard deposit payable and are an indicative figure that is required to obtain the Confirmation of Enrolment (COE). Students will still need to meet the Genuine Temporary Entrant (GTE) criterion which includes the Financial Assessment prior to finalisation of Acceptance of Offer.

Credit Assessment Disclaimer

To gain an estimate of the credit you may be eligible to receive towards a CQUniversity qualification, please use the credit calculator found at

I give CQUniversity permission to check my visa status using the DHA Visa Electronic Verification Online (VEVO) system and to obtain details on my current visa status as required.

I authorise the University to disclose information relevant to my application and enrolment to the University's Overseas Student Health Cover (OSHC) preferred provider, Allianz Global Assistance and other third parties (as required) for the purposes for arranging my OSHC, progressing my application and enrolment, and administering my course.

I accept and acknowledge any recognition of prior learning indicated in my offer of admission. I further acknowledge that any credit is conditional upon the presentation of the original or certified copies of academic transcripts, any testamurs and other documents at enrolment.

I understand that the withholding of information or provision of incorrect or fraudulent or deliberately misleading documentation relating to my application and acceptance may result in the cancellation of any offer or enrolment by CQUniversity Australia, and the University may inform others, including Government agencies, of this information. This may result in forfeiting all or a portion of any fees paid (see also refund summary).

I understand that information is collected on this form and during my enrolment in accordance with the Privacy Act 1988, and in order to meet CQUniversity's obligations under the ESOS Act and the National Code 2018 and the Vocational Education, Training and Employment (VETE) Act 2000; to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws generally. Dear Padma Priya,

Congratulations on your acceptance to the University of Missouri-St. Louis Graduate School! We were impressed by your academic achievements and believe strongly in your potential for continued success. We are happy to inform you that you have been admitted provisionally to the Cybersecurity-MS program in Graduate Business Admin for the 2021 Fall Semester. Your admission is considered provisional until you submit the following: Official Individual Mark Sheets and Degree Certificate sent directly to UMSL from your university in a sealed envelope with school's stamp on it; Official IELTS. You must provide this before the start of classes.

All visa-holding international students are required to attend an International Student Orientation. Most new international students at UMSL are required to take the English for Academic Purposes (EAP) proficiency exam during orientation. This exam must be completed before students can finalize their course registration. Depending on the results of the exam, students may be required to enroll in specific EAP courses during their first year at UMSL.

Based on the information that you provided on your application, you are being considered a Non-Missouri Resident and will be assessed non-resident fees. Please refer to the Graduate School website at www.umsl.edu/gradschool - Prospective Students tab - Funding Graduate School page, for information that may help to reduce the cost of non-resident fees.

A Single Sign-On ID (<https://password.umsl.edu/>) is assigned by the University to all admitted students. Once you have activated your SSO ID, you will be able to access Canvas (<https://canvas.umsl.edu>), MyView (<https://myview.umsl.edu>), and your UMSL email account (<http://mail.umsl.edu>). These accounts are created for you approximately three days after you have been admitted.

The Graduate School reserves the right to withdraw any offer of admission if final records fail to show completion of courses and/or degrees required for admission, if the admission decision was based on inaccurate or falsified information or if you fail to maintain satisfactory scholastic standing. Admission may also be withdrawn should it not be possible to determine the veracity of educational documents that have been submitted as evidence of academic preparation.

We do extend our best wishes for success in your graduate program. Please contact the Graduate Program Director with any questions.

Sincerely,

Teresa Thiel

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

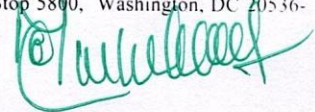

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Welcome to Residence

RESIDENCE IS SO MUCH MORE THAN JUST A PLACE TO LIVE.

Residence offers you the chance to be a part of a community that fosters an environment of personal growth while supporting your efforts to become an academically and socially responsible individual. Our focus in residence is life outside of the classroom and we make it easy for you to get involved! You can participate in events, work as a desk services staff, or serve on a residence committee.

Living in residence means you're not alone when you need help. Resident Assistants (RA) help you transition to university life, make friends, and become a part of the Lancer community. We also have full-time staff here to support you who live on campus and who are on-call 24/7.

Living on campus puts you just steps away from classes, Lancer events, social activities and dining halls, making it easy for you to fully experience campus life.

ENGLISH LANGUAGE IMPROVEMENT PROGRAM

The English Language Improvement Program (ELIP) is UWindsor's pathway to meeting language requirements for entry to your academic program.

A valid English language assessment score determines which ELIP level you will take and the number of ELIP terms you will need to complete before beginning academic study. Each ELIP term is 12 weeks. Successful completion of ELIP 3 qualifies for entry to academic study.

If you have an overall IELTS and writing band score of:	5.0	5.5	6.0 +	Begin your academic program
You will begin in level:	ELIP 1	ELIP 2	ELIP 3	
# of ELIP terms you will need to complete before academic start:	Three	Two	One	

If you do not have an English language assessment score, we can conduct a placement test when you arrive.

If you did not receive this document you must contact international@lambtoncollege.ca before remitting payment. Transfers to other locations or into other programs is not permitted.

Please review https://www.lambtoncollege.ca/Programs/International/Lambton_in_Toronto/Co-op_Career_Services/

A laptop with wireless capability is required in all programs. Courses may be delivered online - in part or in their entirety - due to the evolving COVID-19 situation. E-textbook and courseware purchases are mandatory for most programs.

Medical insurance is mandatory for all full-time, part-time & co-op students of Lambton College. International students are not permitted to opt-out of the medical insurance fee. Medical insurance is provided by Guard.me - a third-party insurance provider. Guardme does not replace the coverage under OHIP (Ontario Health Insurance Plan) for yourself or any member of your family. The medical insurance is a basic package that is subject to change on an annual basis. Not all conditions are covered and prospective international students are strongly urged to review the coverage details prior to arriving in Canada.

Guardme coverage is only effective from the first day of your academic term. Students who arrive early in Canada should independently purchase separate insurance to cover themselves until the first day of classes. Lambton College is not responsible for the costs of any form of health care services received or sought by the student.

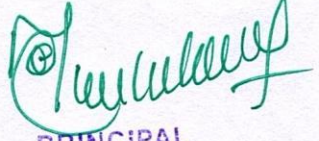

Academic scheduling in certain programs may include Saturday classes.

Students must follow their prescribed program map and academic schedule. Students are required to withdraw if their prescribed program map and/or academic schedule is not followed. Deferrals will not be approved.

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are 'in London' and our Medway Campus is 'outside London'. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

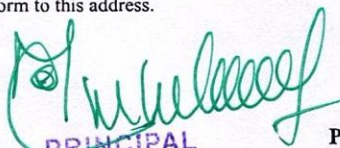

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.
