REPORT ON THE STUDENT ATTRIBUTES FACILITATED BY THE INSTITUTION

“By education, I mean the all round drawing of the best in child and man, in body, mind and spirits.” – M.K. Gandhi.

SRK Institute of Technology has been established with the primary of helping students especially from rural background to grow into well rounded personalities capable of blending in any society, whether local or international. As the above quote suggests, education is not ‘learning of facts but training of the mind’ as said by Albert Einstein. Co-curricular activities give the students an opportunity to develop particular skills and exhibit their nonacademic abilities. There are various types of extracurricular activities conducted in the college, which offer students, an opportunity to work with others and to gain essential life skills. Though numerous extracurricular activities exist, cultural activity, N.S.S. activity, sports activities are conducted in the college.

Sports and Cultural activities:

Physical director in the college organizes various activities for students to participate and to develop their skills. Students are trained to participate in University level and National level sports competitions like Kabbadi, Kho-Kho, Basket Ball, Volley Ball, Cricket etc. Students are encouraged to participate in cultural fests organized by other institutions in the region. College organizes various social service related activities such as N.S.S., tree plantation, cleanliness drives, blood donation camps, awareness programs on social issues, leadership development activity and so on. Annual techno cultural fest like Explorers’ Meet ensures the growth of leadership and team spirit in students. . Students have opportunities to improve their leadership and interpersonal skills while increasing their self-confidence. Cultural events strengthen creative skills, confidence and overall personality of students.

Ethical:

The ambience of the college instills in its learners to become committed citizens endowed with appropriate lifelong learning skills. Professional ethics and Human Values are taught as a course that enables students to distinguish between the right and wrong, resolve ethical dilemmas.

Academic:

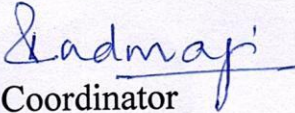

In the institution, students are always encouraged to acquire the art of knowing. Peer group learning, self study, library consulting, self E-learning are some important pillars that our college has been able to build up during these years. The institution always encourages not to get

pressurized by the load of syllabus, by the expectation of results of examination, by the demand of future progression. It always teaches that learning should be a pleasant experience.

The institution organizes various programs on commemorative days like Ekta Diwas, Teachers' Day, Independence Day, Republic Day, Women's Day, speeches by eminent scholars etc to inculcate attributes in students like social skills, national values and human values.

The presence of Culural Clubs, Yuva Tarang, ensures organizational and decision making skills. At department level also, various club activities that instill healthy competitive outlook among the students take place.

The institution strives to develop life skills like decision making skills, team skills, leadership skills and very importantly sensitivity towards all irrespective of caste, creed, religion, region and nationality. These traits at best help the students grow into global citizens with local outlook.
